Alison led the meeting by posing questions to allocated groups:

- 1) Will members be happy with rehearsing commencing by the Summer?
- 2) Could performances commence by July/August ie. Have members booked holidays during this period?
- 3) Do we feel that our audiences will be ready for our plays by then?
- 4) Can we imagine what types of plays/events our members would like to partake in?
- 5) Using a statement of 1 sentence can we identify exactly what LADS do.
- 6) What would our members like to do this coming year eg. Directing?

We had a positive and helpful discussion. The Committee will summarise the main findings at their next meeting on 22nd April.
